1. TopFX Global Ltd (hereinafter the “Company” or “TopFX”) is a company registered under the Laws of Seychelles with registration number 8424819-1 and is licensed with a Securities Dealer License by the Financial Services Authority (“FSA”) of Seychelles under the License No: SD037.
2. The 100% Bonus Terms and Conditions (hereinafter the “Terms & Conditions” or “T&Cs”) is an integral part of the TopFX Terms of Business (available at <https://topfx.com.sc/pdfs/TopFxTerms&Conditions.pdf>) and provisions set herein are considered as an Annex of these terms. Capitalized terms used herein without definition shall have the meanings assigned to them in the TopFX Terms of Business.

B. General Provisions

1. In these Terms & Conditions, unless the context requires otherwise, the following words shall have the following meanings:

“**Bonus**” means the bonus amount which can be used to open positions by adding it to that account’s equity.

“**Cash Equity**” means the Balance plus or minus unrealized profit.
2. This Bonus will be valid from 1st of February 2023 until 28th of February 2023 (both days inclusive) to all new clients residing in Iraq, Saudi Arabia, and Yemen.
3. This Bonus is applicable to the clients who met the following conditions:
 - a) The Client is a new & approved client that has opened an account with the Company.
 - b) The client needs to deposit at least **\$300 USD**.
 - c) MENA team will have the right to give the reward to redeposits after checking their history to make sure there aren’t abusers.
 - d) The Client agrees and accepts the present Bonus T&C upon registration, unless any objection may arise before the credit of the Bonus, upon the Client’s request.

-
- e) The bonus can be claimed only once by each client regardless of whether he holds multiple accounts.
 - f) The Clients requesting the Bonus promotion must make the request before starting to trade.
4. The client is entitled to receive a **100%** Bonus on the initial deposit.
 5. Bonus Added to credited is not additive and cannot exceed the Balance amount at the time of the request. If the Account has already been credited with a Bonus due to a previous promotion, then it is in the Company's discretion to either:
 - a) Top-up the credit to the appropriate amount.
 - b) Remove the previous amount and credit only the new amount.
 - c) Deny the credit of extra bonus, if bonus exceeds the Account's Balance.
 - d) Deny the credit of Bonus, if for any reason the Company deems it appropriate
 6. The maximum amount of Bonus that a client can claim is 500 USD. Being more precise:
 - If the Client deposits 500 USD, the 100% Bonus will be 500 USD.
 - If the Client deposit more than 500 USD, for example, 1000 USD, the Bonus will still be 500 USD.
 7. The amount of the Bonus is added to Client's equity of the trading account upon the Client's request. Please note that the Bonus is not withdrawable **and is only** available for trading purposes. Instead, profits (if any) deriving from trading with the Bonus can be withdrawable.
 8. In the event that the Client wishes to withdraw any amount of his/her own funds from an MT4 account (i.e. deposits and/or profits) then the full Bonus amount will be removed.
 9. The Bonus in MT4 may also be removed in full by TopFX or following a Client's withdrawal request or request to transfer funds between accounts at TopFX (whenever that request is made) and immediately prior to the fulfilment (if fulfilment is possible) of the request.
 10. In cTrader, "Total Bonus" is the total bonus added to the Client's account as equity similar to MT4 but the maximum available usable bonus, called, Active Bonus at any time is described by the formula $\text{MIN}(\text{Total Bonus}; \text{Cash Equity})$, where Cash Equity is equity minus Active Bonus.
 11. In cTrader, "Total Bonus" will not be removed when the client withdraws, transfers, or requests such

transactions but as per clause 8, active bonus will be reduced if Cash equity is reduced and is below Total Bonus given. This means that Active Bonus may fluctuate according to live trading conditions if Cash Equity becomes less than Total Bonus added, up to a maximum equal to the Total Bonus.

12. In cTrader, “Total Bonus” is converted to real cash balance by actively trading, with the conversion rate being 1 USD per 100k USD volume or currency equivalent.
13. In order to claim the Bonus offered by TopFX, the Client should set up an account with TopFX and then send a request to support@topfx.com.sc. Subject to compliance with the conditions set out herein, the Client will receive his/her Bonus. Where the Company specifically agrees otherwise, the Client must request his/her Bonus within the first 2 business days from the date of each deposit date he makes into his/her account. If the Client starts trading in an account before he requests his/her Bonus within the period specified above and before his/her Bonus is deposited, the Client will not be entitled to the Bonus. It should be noted that the Bonus will be credited to the Client’s account usually within 24 hours upon receiving Client’s Bonus request email.
14. Following receipt of the Bonus, if the Client requests a withdrawal of funds from his/her account or requests a transfer of funds from one TopFX account to another TopFX may:
 - a) TopFX shall be entitled, prior to the fulfilment of such request, at its sole discretion, to remove from the Client’s account a sum which equals the Bonus previously granted. If there are insufficient funds in the Client’s account to enable the removal of a sum equaling the Bonus, TopFX shall be entitled to remove all sums in the account; or
 - b) Prior to the fulfilment of such request, at its complete sole discretion, to remove from the Client’s account a sum which equals the Additional Bonus. If there are insufficient funds in the Client’s account to enable the removal of a sum equaling the Additional Bonus, TopFX shall be entitled to remove all sums in the account.
15. This deposit bonus program intends to protect the Clients Account from drawdown periods. The Bonus increases Account Equity and is usable until Stop-Out Levels, (i.e. account balance can go negative and still be able to trade if $\text{Balance} + \text{Unrealized P\&L} + \text{Bonus}$ is enough to support the account’s Margin). In case that the Client’s Account reaches a negative balance then the Negative Balance Protection applies and an equal amount to the Balance correction will be deducted from the MT4 Bonus.
